NORC *AKTIV db* **SAE 20W50 API SN/CF** **High Performance Engine Oil**

PRODUCT DESCRIPTION

NORC AKTIV db SAE 20W50 is a high quality multi-grade engine oil, developed and formulated from highly refined mineral base stock with an advanced additive technology, to provide an engine oil with stable viscosity behavior that protects against friction, heat and corrosion, keeping engines healthy and efficient.

NORC AKTIV db SAE 20W50 is designed to operate under severe conditions, reducing carbon sludge build up, increasing engine durability and performance, as well as providing a smoother engine running throughout regular use.

NORC AKTIV db SAE 20W50 fulfills or exceeds the performance requirements of API SN/CF and it is suitable for use in benzin and diesel engines, both turbo-charged and non-turbo charged.

BENEFITS

- Excellent engine protection under severe driving conditions
- Low oil & fuel consumptions
- Thermal and oxidation stability
- Good dispersant and detergent properties
- Smooth engine running
- Excellent anti-wear properties
- Prolong engine life
- Improve engine performance and efficiency
- Improve protection against corrosion and friction
