NORC ENORM *db* **SAE 0W40 API SN/CF** **Fully Synthetic Engine Oil**

PRODUCT DESCRIPTION

NORC ENORM *db* SAE 0W40 is a Top-Class fully synthetic lubricating engine oil for an ultimate engine protection and performance. It has been formulated to protect against friction, heat and corrosion, keeping engines healthy and efficient. Appropriate for use to improve engine quietness and reduced emissions. Sustained horsepower and torque throughout the life of your engine with regular use.

NORC ENORM *db* SAE 0W40 is a multi-grade engine oil especially developed and formulated with the finest synthetic base stocks and advanced additive technology, to keep engines healthy and efficient. It reduces carbon sludge build up under harsh driving conditions. It provides superior low friction with strengthened oil film for greater engine response and fuel efficiency.

NORC ENORM *db* SAE 0W40 fulfills or exceeds the service requirements of API SN/CF and it is excellently suited for use in passenger cars and light trucks, equipped with benzin and diesel engines, both turbocharged and non-turbocharged.

BENEFITS

- Excellent wear and high heat protection
- Excellent viscosity retention
- Excellent engine protection under harsh driving conditions
- Long drain intervals
- Reduce carbon sludge build up
- Low fuel and oil consumptions
- Excellent low temperature characteristics
- Superior low friction properties
