NORC *AKTIV db*

SAE 20W50 ACEA A3/B3

High Performance Engine Oil

PRODUCT DESCRIPTION

NORC *AKTIV db* **SAE 20W-50** is a high quality multi-grade engine oil, developed and formulated from highly refined mineral base stock with an advanced additive technology, to provide an engine oil with stable viscosity behavior that protects against friction, heat and corrosion, keeping engines healthy and efficient.

NORC *AKTIV db* **SAE 20W-50** is designed to operate under severe conditions, reducing carbon sludge build up, increasing engine durability and performance, as well as providing a smoother engine running throughout regular use.

NORC *AKTIV db* **SAE 20W-50** is engineered to fulfill and / or exceed the performance requirements of ACEA A3/B3, and it is suitable for use in benzin and diesel engines, both turbo-charged and non-turbo charged.

BENEFITS

- Excellent engine protection under severe driving conditions
- Excellent anti-wear properties
- Good dispersant and detergent properties
- Improve engine performance and efficiency
- Improve protection against corrosion and friction
- Low oil & fuel consumptions
- Prolong engine life
- Smooth engine running
- Thermal and oxidation stability
